## The idea

was born to share and tell the unique position of our cellar, located on the top of Cannubi.

A real open book on the Langhe, from which you can enjoy a 360 ° view: endless views over the vineyards and villages that made Barolo wine famous.

Un percorso  
permanente nel cuore di  
Cannubi, immerso nei  
nostri vigneti.

## Live a unique experience.

### CANNUBI WALK EXPERINCE

is a path that will lead you to discover breathtaking views, explaining what a MGA (cru) is, telling you the history and characteristics of the famous Cannubi cru. You can discover curiosities, history and traditions of our vineyards and our philosophy.

### PATH

it can be traveled independently, thus turning into a pleasant moment between friends, family, or even on a romantic walk.

It is easily walkable.

Suitable for everyone, including children (always accompanied by parents)

### DURATION AND METHOD '

variable based on interest to learn and observe. (About 10 minutes walk)

At the end of the tasting, an illustrated and explanatory map will be delivered, which, combined with the numbered poles, will lead you from view to view.

The route is recommended in the summer and in the absence of rain and / or snow.

It is practicable during the cellar opening hours
