The project

born from collaboration
between our cellar
Fratelli Serio & Battista Borgogno,
Cantina Borgogno
e Save the Truffle.

It aims to protect Piedmontese excellence,
such as the truffle and the place where it is
born, namely the forest.

At the same time he wants to share and
make known this important reality
to all who wish to discover
the world of truffles.

Discovering the
Bosco, the kingdom of
Truffle: where silence
and peace reign.

The search of Truffle
