

CANNUBI

Cannubi Walk Experience

A permanent path in the heart of Cannubi, immersed in our vineyards.

A journey that will lead you to the discovery of infinite views, explaining what a MGA (Cru) is, telling you the history and characteristics of the famous Cannubi Cru. You can discover curiosities, history and traditions of our vineyards and our philosophy.

The Path

it can be traveled independently, and is suitable for everyone, including children (always accompanied by their parents).

It is recommended in the summer and in the absence of rain and / or snow.

It is practicable during the opening hours of the cellar

Duration and methods

Variable based on the interest in learning and observing. (about 10 minutes walk)

Following the tasting, you will be given an illustrative and explanatory map, which combined with the numbered poles, will lead you from view to view

(included in the tasting)
